## Tutoring Experience

With 15 years of tutoring experience, I've worked with students across multiple curriculums, including IB, A-Level, and IGCSE. My focus has been on guiding students through complex business topics, ensuring they not only pass their exams but gain a deep understanding of the material. I'm passionate about making business management both engaging and practical.

I've had the privilege of mentoring students from various countries, helping them develop strong analytical and strategic skills. Many of my students have gone on to pursue degrees at prestigious universities, having gained confidence in their abilities through my tutoring.
